EVOLUTION ORDERS TOTAL RECALL OF WHITE AMERIKKKANS

Makes self-criticism for 'wasting DNA,'
vows beefed-up quality control

"Mutation is one thing, but these rabid cracker freaks are giving me a bad name."

Return to service of 'highly defective' model
seen only after massive redesign

- to be retrofitted with features of actual benefit to the species
- all presently defining characteristics to be neutered, i.e., parasitic, blood-sucking, national chauvinist, militaristic, jingoistic, barbaric yahoo imperialist empire-building ones, to name a few
