

IMPERIALISM IS TERRORISM

Now you take the Philippines . . .

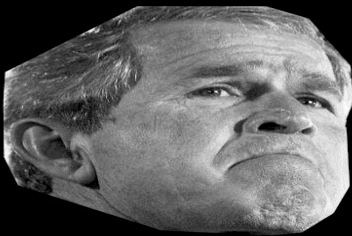

Psych! We already took 'em, fool! Easy as pie. Had the water torture and . . . what was that general military order . . . don't tell me . . . it was . . .

"KILL EVERYONE OVER TEN"

Amerikkkan Gen. Smith, 1899

Over 600,000 Filipinos murdered in US war on Philippines.

Point is, we took 'em, we kept 'em, and we're gonna keep on keeping 'em!

Keepin 'em like this, if you know what I mean . . .

The majority: landless peasants, 60% living below the official poverty level of \$2 a day.

Oh, it takes some of this . . .

And a whole bunch of this . . .

Increasing US military presence to fight 'terrorism.'

And if push comes to shove . . .

But I won't bore you with the gory details of 'doing business.'

Anyhow, on another totally different matter . . . you take the reason for our beloved Amerika's rampant economic 'prosperity' . . .

. . . well on that I'd have to say we just got lucky, I guess.
